Hi Jane, this timing would be right in the middle of my appt. If the folks you speak with are looking for additional general background on UIC and aquifer exemptions, you could also direct them to Holly Green and/or Ron Bergman in OGWDW. Let me know if you have other questions. Thanks, David

Hi Ed. David Albright, UIC program manager, has an appointment tomorrow afternoon, so I'll do the briefing for Jason Gray. My calendar is open tomorrow 11:00-2:00 PDT and then again from 2:30 PDT on. Please let me know what time works best for Jason. Feel free to send an Outlook Calendar invite with a call-in number, you can call my direct line at 415-972-3275.

I am attaching a few documents that Jason might find useful—1) a one page summary of EPA's recent oversight of CA's oil and gas UIC program, 2) EPA's March 9, 2015 approval of CA's plan for bringing its program into compliance with the Safe Drinking Water Act, 3) recent correspondence from the Kern County Board of Supervisors to Administrator McCarthy (response pending) and 4) recent correspondence from CA Legislature to Governor Brown. Dear David,

I asked Jane if you could please brief Jason Gray, the head staff of our Sen. Appropriations Committee, prior to him meeting with Speaker McCarthy on Thursday. Jason would be available tomorrow afternoon PST. Could you please email Ed Walsh in OCFO with a proposed time, and perhaps send one of your super-duper, in-demand, ready-made briefing papers via email in advance of the briefing?
With thanks, Alexis
